

GROUP PACKING LIST

- Food - we do not provide meals at Camp Santa Cruz. Please plan to either bring and cook your own meals or have meals catered. Feel free to ask us for local restaurant recommendations. Our kitchens are fully stocked with cooking supplies and buffet table set ups.
- Outdoor games/activities - We have a large grass area as well as a basketball court. While we do have some lawn games available to use, if you have specific games you want to play we encourage you to bring them. Groups have had volleyball games, corn hole tournaments and other fun activities.
- Beach gear - If you are planning on hitting the beach (which we highly recommend you do!) plan to bring beach blankets, shade tents, coolers, boogie boards, sunscreen and anything else you may need to have an awesome day at the beach!
- Firewood - We have a large fire pit on our property for groups to use. Sometimes we have wood available, but we cannot guarantee it will be.
- A/V Equipment - While we have an assortment of speakers, cables, mics and projectors, we can't guarantee we will have all the things you need. If there is something specific you need for your group's presentations and gatherings, please plan to bring it.
- A note on Wifi - We hope to help groups disconnect from the business of life. That being said, the only place on our property that has a strong wifi connection is the MPR. If you are planning to do small breakout sessions in other places on our property, please plan to not have wifi access.
